Dear Valued Customer:

Effective on January 1, 2010, HSI will implement a revised commercial Price List. The revised prices are now available on HSI's web site (www.hsiaus.com). Consistent with our standard practice in previous years, HSI once again is offering its Owners/Operators Incentive Pricing Program relative to orders for the S-76 parts. Please refer to the plan details also located on our website or contact your customer service representative for additional information.

HSI's 2010 Commercial Price List reflects an increase by a weighted average of 5% across all commercial models. HSI arrived at its 2010 Commercial Price List after taking into account several economic and market-based factors.

Besides the Incentive Pricing Program, we look forward in the coming year to offer additional Business to Business and product offerings which will contribute to your operating efficiency. We would also like to take this opportunity to say "thank you" to all of our customers and operators for the faith and confidence you have placed in HSI and our ability to support your mission. We wish you a healthy and successful New Year and look forward to supporting all of your helicopter support needs.

Sincerely,

Samir Mehta
